SUMMIT EDUESSENCE – BOGOTA, LATIN AMERICA MEETING 2021

The SUMMIT EDUESSENCE 2021 of Diabetic Foot and Complex Wounds was held virtually, from August 27-29 of 2021, whose transmission was from Bogota, Colombia, South America for all Latin America, event supported by the D-Foot International, the Latin American Diabetes Association (ALAD) and the Colombian Association of Internal Medicine (ACMI).

It had the participation of 46 speakers, 25 of which were representatives of D-Foot from their countries around the world (Africa, Asia, North America, South America, Central America, and Europe)

More than 3200 participants were registered, and an average of 1600 were connected daily, from the following countries: Mexico, Honduras, El Salvador, Guatemala, Peru, Ecuador, Argentina, Chile, Brazil, Paraguay, Uruguay and Colombia.

The EDUESSENCE 2021 Diabetic Foot and Complex Wounds SUMMIT had a strong and positive impact on our region.

AN INTERNATIONAL TRAINING PROGRAM IN DIABETIC FOOT CARE - CHINA

The D Foot International in partnership with Urgo Medical conducted an International Training Program in Diabetic Foot care in September 2021.

The response from the clinicians in China and has been very warm and we are looking to extend the relationships with China DFU centers in many other provinces.

DIABETIC FOOT AWARENESS WEEK 7th NOVEMBER – 14th NOVEMBER 2021

The Diabetic Foot awareness week – a programme to highlight the activities in the regions of D-Foot International is scheduled from 7th November to 14th November 2021.

The finale will be on 14th November on World Diabetes Day.

PROF. ANDREW JM BOULTON – HONORARY MEMBER

The Nominating Committee and the Board of D-Foot International elected Professor Andrew Boulton as an Honorary Member of D-Foot International.

This well-deserved nomination stems from his considerable contribution to the fight against the diabetic foot. His overall achievements for the past four decades have been well recognized both nationally and internationally.

He has contributed immensely to the fundamental knowledge of diabetic foot disease and has published more than 500 scientific papers and 8 books on Diabetic Foot and Diabetic Neuropathy.

He was the Founder Chair of the Diabetic Foot Study Group of the European Association for the Study of Diabetes (DFSG of EASD) in 1998 and President of EASD between 2011 and 2015.

Professor Boulton is currently the President of the International Diabetes Federation.

We welcome your suggestions & comments.
